

Firstly, we'd like to say a big thank you to the previous PTA who raised a substantial amount of money for the school and children. The money they raised has paid for numerous school trips, contributed towards the fantastic new library, musical instruments, funds the daily fruit snack and much, much more. We know we have big shoes to fill, but we'll give it our best shot!

Hello from the new Uffington School PTA!!!!

Although you may have seen us in the playground, we'd liked to properly introduce ourselves as the new PTA.

Who are we?

At that moment there's just the three of us, but we welcome more parents who'd like to join the PTA.

Caroline Smith

Hi, I have two girls - Imogen in year 5 and Edie in year 2. As a seasoned parent at Uffington school, I feel passionately about supporting the school and being proactive in raising funds to ensure our children have every resource possible, and the opportunity to participate in different activities to increase their experiences within the curriculum.

Lisa and James Warden

Hello! We also have two girls – Luella in year 5 and Amelie in year 2. We recognise that there is a limit to how far school funding can stretch, and therefore we understand the importance and value a PTA can provide to our children. We don't want children to miss out on opportunities that they could have access to with support from parents, no matter how small that support is. It'll give me a real sense of achievement to know that not only will the money raised by the PTA provide some key resources and experiences for our children, but also that the events we organise will create a community feel within the school and benefit all who get involved.

Please complete the survey

We really want to start raising money again for our lovely little school, but before we get stuck in and start planning any fundraising events, we need to get your input on what you want and don't want from a PTA! Please [click here](#) and complete the survey by Tuesday **11th May 2021**.

Come join the PTA with us!

We're keen for anyone who wants to be involved in the PTA to get in touch. We're new to this and will appreciate all the support we can get. If you'd like to find out more, please speak to either Caroline or Lisa in the playground.

What PTA events are coming up?

The results of the survey will help to shape what events we organise. However, some of the events that we're aiming to arrange before the end of this school year are:

- Treat Friday's – with healthy options available 😊 – **STARTING FRIDAY 14th MAY**, running every other Friday until July when we'll aim to have treat available every Friday until the end of term
- Father's Day box – make organising a gift simple, easy and thoughtful (limited number available)
- Break the rule day – don't tell Mrs Bradbury!
- Krispy Kreme doughnut order – because who doesn't love a Krispy Crème?!

Where can you get the latest updates?

- Facebook - <https://www.facebook.com/groups/206860662997552/?ref=share> for regular updates and to get in touch please join the PTA Facebook group.
- School weekly newsletter
- School website - [click here](#) to view the PTA page on the school website where you'll soon find our 2021 Summer Term events calendar.
