Head teacher: Mrs. Lisa Bradbury

2nd September 2021

Dear Parents/Carers,

Welcome to the start of the autumn term, especially to those families who are joining us for the first time. It was lovely to chat to so many of you this morning on the playground. The children have settled in brilliantly already and as we all joined together for assembly this morning, we passed smiles around the room to each other. We will be updating our website over the next few days with topic maps so you will be able to find out what your child will be learning this term. We will be sending out a survey to you soon, regarding our school website. Your feedback will help us to ensure that it has all the information you need and remains a useful tool.

As I said in my letter to you in July, control measures which have been so effective such as ensuring good hygiene (e.g. hand washing and using sanitiser), strict cleaning regimes, keeping occupied spaces ventilated and following Public Health advice remain in place. A new risk assessment will be on our school website soon, it is currently being reviewed by staff as part of our consultation and review of procedures process.

Although we can now allow visitors onto the school site we would still like to limit visitors to the school office as part of our control measures. Everyday office forms such as medical and holiday requests are available on our school website <https://www.uffingtonprimary.org/useful-forms.html> please access them here and email to the school office if possible. Equally if you can phone or email any communications that will be helpful - thank you.

Information about after school clubs and the normal newsletter will follow next week.

As the term progresses, I look forward to working with our new Chair of Governors John Paul Roche. I do hope to be able to invite you into school for events and to see the children's work. Meanwhile, as I always say, children learn when they are happy, please do contact us if you have any concerns or indeed moments to celebrate.

Best Wishes,

INVESTOR IN PEOPLE
