Love, Honesty, Courage.

**ONLINE LEARNING PARENT CONSENT FORM**

Dear Parents/Carers,

21.9.2020

At Uffington CE Primary School, we are currently upgrading the online learning resources for maths and English to ensure we have programmes available to build confidence. To enable us to do this we are investing in a programme run through a series of apps called: DoodleMaths, DoodleEnglish, DoodleSpell and DoodleTables. These are designed to be played every day for 10 minutes and they adjust to your child's level automatically to help build confidence and fluency in all maths concepts. These will replace spag.com and Abacus maths and will form part of our homework in KS2 and support children in their revision.

As part of this process we are required to input data regarding our pupils onto the learning platform.

The data required is your child's: Surname / Forename / Group Name / Year Group / Date of Birth. The date of birth sets the system to an appropriate level.

This data will be held in a secure database and will only be used for the purpose of this learning system and can only be accessed by the teachers at Uffington Primary School and Doodlemaths for the purpose of running the application. For further information see <https://www.doodlemaths.com/>

We would like your consent to use the data in the ways described above while your child is a pupil in our school. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.

**Please tick the relevant box below, sign and return to school.**

I am happy for the school to input my child's Surname / Forename / Group Name / Year Group / Date of Birth into DoodleMath, DoodleEnglish, DoodleSpell and DoodleTables.

Please be aware that you are able to remove your child from this system at any time by notifying the school office.

Name of child(ren):  
.....

Parent/Carer signature.....

Date.....
